### Dear Friends and Neighbors,

Thank you for generously supporting our fund drive last year! We just celebrated our 75th year of service to the community and have remained all-volunteer since 1949. Your contributions are crucial in helping us to maintain and upgrade the stations and equipment needed to provide the most professional and effective service.

### Did You Know...

- ✂ We are the primary response company for Schuylkill Township, which includes two elementary schools, two secondary schools and one college.
- ✂ In addition to firefighting, we respond to motor vehicle accidents, medical calls, water rescues and other types of emergencies.
- ✂ Last year we responded to just under 400 calls, including 35 reported building fires and 11 reported rescues.
- ✂ Our firefighters spent well over 2,000 hours in training last year, including over 1,000 hours at public events.

The department must continually educate and train in order to excel in our response to emergencies. Every donation counts. Please help us to continue our mission and be our best to serve you. Thank you for your continued support!

### Yours in Public Service,

The Officers and Members of Valley Forge Volunteer Fire Company
